Day 1: Keekorok Lodge, Masai Mara

The Masai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park. The image of acacia trees on an endless grass plain epitomises Africa for many, and then add a Maasai warrior and some cattle to the picture and the conversation need go no further. The annual wildebeest migration through the Serengeti and the Masai Mara is the largest mass movement of land mammals on the planet – with more than a million animals following the rains. But that is not where the game viewing ends; large prides of lions, elephants and giraffes in

grasslands, gazelles and eland to mention but a few. Aside from traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential and you can even do a horseback safari.

Day Itinerary

Pick up from your hotel and transferred to Moi International Airport for a scheduled flight to the famous Masai Mara. Upon arrival at the Airstrip, you will be met by the camp/lodge vehicles and game drive on route to your destination for check-in and lunch. Afternoon game drive until sunset. **Keekorok Lodge - Full board or Mara Engai - Full board or Governors Camp - Full board.**

Overnight: Keekorok Lodge

Keekorok is located in the heart of the Maasai Mara National Reserve, in an area of permanent springs and lush grassland.

Alternate: Mara Engai Wilderness Lodge

This new and distinctly unique Mara Engai Wilderness Lodge is nestled amongst pristine Kenyan Ravine forest on the Ooloolo (Siria) Escarpment. Overlooking the amazing Masai Mara National Reserve and Wildebeest Migration Route, with around 120km of unbroken views across the vast savannah of the Masai Mara – it is simply breathtaking.

Alternate: Governors' Camp

The award-winning Governors' Camp nestles in the forest along the winding banks of the Mara River, it's waters teeming with birdlife, hippo and crocodile, in the heart of Kenya's Masai Mara National Reserve.

Day 2: Keekorok Lodge, Masai Mara

Day Itinerary

This morning, you have an option to enjoy 1 hour optional Balloon safari finishing with Champagne breakfast or have a day to explore the vast plains of the Masai Mara, starting early with a game drive before breakfast, and returning to the lodge for meals. This reserve is an extension of the Serengeti ecosystem to the south. Game abounds here, particularly when the migration is on, and millions of wildebeests and zebras make their way back and forth across the Mara River on their annual trek. The Mara is also noted for its abundance of lions - particularly the superb black maned males. You'll see lots of elephants here often in large herds, as well as - if you're lucky - leopard, cheetah and rhino. All of the Big Five are residents. You're sure to see the African buffalo. The huge expanse of grassland covers 320 sq kms and is dotted with distinctive flat-topped acacia trees are watered by two rivers, Mara River and Talek River. It is also home to the nomadic Maasai people, who you can see grazing their cattle, usually brightly dressed in red chequered capes. Get the cameras ready and enjoy yourselves! **Keekorok Lodge - Full board or Mara Engai - Full board or Governors Camp - Full board.**
