Day 1: Ashnil Mara Camp, Masai Mara National Reserve

One of Kenya's undisputed natural highlights is the Masai Mara National Reserve, which sprawls across more than 1500 square kilometres of the country's southwest. The park protects a phenomenal array of game, including elephant, lion, leopard and buffalo, as well as crocodile and hippopotamus in the Mara River. The birdlife is no less impressive, with over 450 resident bird species. However, the true highlight here is the Great Migration, recognised as one of the Seven New Wonders of the World. To survive the dry months of July to September, some 1.7 million wildebeest, migrate from the parched plains of the Serengeti National Park in Tanzania. Along with much smaller numbers of antelope, buffalo and zebra, they move to the more forgiving grasslands of the Masai Mara. In their wake come predators such as lion, hyena and cheetah, for whom these giant herds are an easy source of prey.

Day Itinerary

After arrival at Jomo Kenyatta International Airport or pickup from your hotel and and transfer to Wilson Airport for a scheduled flight to the famous Masai Mara. Upon arrival at the Airstrip, you will be met by the camp/lodge vehicles and game drive on route to your destination for check-in and lunch. Afternoon game drive until sunset. **Ashnil Mara Camp - Full board.**

Overnight: Ashnil Mara Camp [View iBrochure](#)

Ashnil Mara Camp sits on the 25 million year pre-historic land which spans virtually all stages of life's evolution and the fossil record. It comprises 30 luxury tents, located within the Maasai Mara National Reserve adjacent to the Mara River famous for the wildebeest migration.

Day 2: Ashnil Mara Camp, Masai Mara National Reserve

Day Itinerary

This morning, you have an option to enjoy 1 hour optional Balloon safari finishing with Champagne breakfast or have a day to explore the vast plains of the Masai Mara, starting early with a game drive before breakfast, and returning to the lodge for meals. This reserve is an extension of the Serengeti ecosystem to the south. Game abounds here, particularly when the migration is on, and millions of wildebeests and zebras make their way back and forth across the Mara River on their annual trek. The Mara is also noted for its abundance of lions - particularly the superb black maned males. You'll see lots of elephants here often in large herds, as well as - if you're lucky - leopard, cheetah and rhino. All of the Big Five are residents. You're sure to see the African buffalo. The huge expanse of grassland covers 320 sq kms and is dotted with distinctive flat-topped acacia trees is watered by two rivers, Mara River and Talek River. It is also home to the nomadic Maasai people, who you can see grazing their cattle, usually brightly dressed in red chequered capes. Get the cameras ready and enjoy yourselves! **Ashnil Mara Camp - Full board..**
