Day 1: Ol Tukai Lodge, Amboseli National Park

The landscape of Amboseli is dominated by the snow cap of Mount Kilimanjaro, open plains, acacia woodland, swamps and the massif of Ol Doinyo Orok. Renowned for its excellent Masaai giraffe, elephant, lion and cheetah viewing and not surprisingly it is one of Kenya most popular parks. The birding is excellent especially near the lakes and swamps. The park is famous for being the best place in Africa to get close to free-ranging elephants among other wildlife species. Other attraction of the park includes opportunities to meet the Maasai people and also offers spectacular views of Mount Kilimanjaro, the highest free-standing mountain in the world.

Day Itinerary

Leaving the Nairobi hustle and bustle behind, you head south across the beautiful and seemingly never ending - Athi plains and arrive at the colourful border town of Namanga, where you may find a good bargain on unique Maasai beadwork. Here, you'll then turn east to Amboseli National Park at the foot of majestic Mount Kilimanjaro, home to a wealth of wildlife but particularly known for its elephants. By lunchtime you'll reach your lodge in the heart of the park and featuring unique architecture reminiscent of a Maasai Village and, of course, dramatic views of Africa's highest mountain. **Ol Tukai Lodge - Full board**

Overnight: Ol Tukai Lodge [View iBrochure](#)

Ol Tukai Lodge is one of the best spots to watch elephant with the backdrop of Africa's highest mountain, Mount Kilimanjaro.

Day 2: Ol Tukai Lodge, Amboseli National Park

Day Itinerary

A full day to explore this enticing park. Wake up early this morning for a game drive as the sun rises. This is the best time of day to spot the animals as they wake and go in search of their breakfast. If the weather is clear you'll also see the stunning snow-capped peak of Kilimanjaro appear on the horizon, a glorious sight. Return to the lodge for breakfast, and time to relax and enjoy the facilities. Amboseli is not a large park; the unusual dusty terrain of the dry lakebed and swamps makes an interesting place to explore. There are huge herds of elephants here, and if you are lucky you'll catch them crossing sedately across the grassy plains with Kilimanjaro as a backdrop. A classic photo opportunity. Morning and afternoon game drives give you maximum opportunity to spot the wide variety of animals that inhabit the park, and to take in the peace, tranquillity and beauty of the area. Return to the lodge for meals. **Ol Tukai Lodge - Full board**
